Bevinn Romaine

Toni Wagner

For over sixty years since its founding, our Franklin Lakes Library enriches, enlightens, educates, and empowers our community. The library provides free access to information, ideas and knowledge through books, a wide range of programs, and various cultural enriching resources.

On behalf of The Friends of the Franklin Lakes Library, we ask that you please donate to our 2017 Membership Drive.

The Friends allocates all donated funds towards programs and resources for our residents, including:

- **Full access to books, music, movies, databases and streaming video**
- **Children's programs for story time, reading clubs, crafts, sing-alongs and movement classes**
- **Teen programs for homework help, art, games, movies and computers**
- **Adult and Senior programs for concerts, movies, computer and social media skills, learning languages, financial seminars and lectures**

Our library depends on the generosity and loyalty of its patrons and supporters to continue to provide these programs. Thank you for your kind support.

Sincerely,
The Friends of the Franklin Lakes Library

Please detach and return with your donation

**The Friends of the Franklin Lakes Library
FFLL 2017 Donation Card – THANK YOU**

Name: _____

Address: _____

Email: _____
